Hi,

My name is Tomas, I am 20 years old. I moved to Sweden from Lithuania. There I ended high school and have gotten certificates proving which shows that I have finished it.

To begin with, I plan to go to university to become an IT specialist. Talking about the practice at work, last year I worked in Circle K. Also, I worked at a company which cleans everything. Besides that, I used to work with sick people. With people who are sick or have the illness, I helped them to do something, talked with them and so on and I have great impressions of it and I worked in Post delivery (driver). In 2019 I worked in Sweden food delivery company and in food lager, also in Mcdonald's T-Centralen and Mcdonald's - Kungsgatam 4.

When it comes to me, I am a very positive and outgoing man who wants to get more work. I am driver lover, helpful, respectful, punctual, considerate, courageous, stressful, ambitious, having a strong decision for success or achievement, eco-friendly and happy person. Also, I like to learn new things and meet new people. In my spare time, I like to meet my friends, walk, exercise, watch movies, listen to music and enjoy being with my family. Also, I am keen on jogging. My hobbies are football, swimming, jogging. I can work efficiently both in teams and independently.

All in all, I Hope that the above features make me well suitable to work with you and I look forward to hearing from you and discussing my opportunities to become one of your team.
