Kokio darbo ieškau? Mano teigiamos savybės

High performance architect and BIM specialist.

Along my professional career I have collaborated with architects, engineers and MEPs from several countries in Europe, specially in Lithuania.

Developed a vast variety of projects in many countries such as large office buildings, laboratories, data centres, residential buildings, sport arenas, houses, etc.

Creative, innovative problem solver, resilient, responsible. Great team-player.

Pageidaujamas darbas Architektai, Dizaineriai

Pageidaujama darbo vieta Vilnius
