### Kokio darbo ieškau? Mano teigiamos savybės

I'm Abdullah Umutcan Ortakci, an Electronics Engineer with a deep passion for technology and a strong commitment to contributing my skills to innovative projects. Currently, my biggest goal is to start a life in Lithuania. I'm open to various job opportunities that align with my background, from electronics engineering roles to technical positions in the technology sector.

My strongest qualities include strong problem-solving skills, adaptability, and effective cross-team collaboration, as demonstrated during my internships at Flexkon Conveyor A.Ş and Hella Lithuania UAB. My educational foundation in Electrical and Electronics Engineering, combined with hands-on experience and proficiency in programming languages like Python, SQL, and Javascript, equip me to excel in various technical roles. I also bring a global perspective, having completed an Erasmus exchange program in Lithuania, fostering cultural awareness and adaptability. My goal is to contribute my expertise and embark on a fulfilling life journey in Lithuania.
