### Kokio darbo ieškau? Mano teigiamos savybės

I am writing to express my strong interest in the Cashier position at your company, as advertised Company Website. With a proven track record in handling cash transactions, ensuring precise itemization and pricing, and providing exceptional customer service, I am confident in my ability to contribute to the success of your team. In my current role as a Cashier at SRD Kidz, I have consistently demonstrated my ability to accurately process customer purchases while maintaining a high level of attention to detail. I am well-versed in handling cash transactions and operating point-of-sale (POS) systems, and I take pride in reconciling daily cash and credit card receipts with utmost accuracy. One of my strengths lies in my adaptability, efficiency and fast learner. I thrive in high-pressure cashier roles and have a history of establishing quick rapport with clients, which I believe contributes to a positive shopping atmosphere and encourages repeat business. Moreover, I am equally comfortable collaborating with team members to maintain an organized cashier area and working independently when necessary. Beyond my cashier experience, I have a diverse background that includes roles as a Pharmacy Assistant and a Sales Executive. These roles have equipped me with valuable skills in inventory management, customer communication, and sales techniques. I am proficient in English and have a thorough understanding of marketing and negotiating strategies. Furthermore, I am a fast learner with a passion for sales, a self-motivated individual, and I possess excellent knowledge of MS Office, including creating attractive presentations. My dedication to achieving results and my aptitude for delivering exceptional service align with the values and goals of your company. In addition to my professional qualifications, I am fully vaccinated against COVID-19 and prioritize safety and hygiene in the workplace. I am excited about the opportunity to join the team at your company and contribute to its ongoing success.
