Kokio darbo ieškau? Mano teigiamos savybės

I am Mohit Kishan, a Senior Accounting Professional with over ten years of experience in financial reporting, accounts receivable/payable, GL management, and tax compliance. I have a strong background in using ERP systems like SAP FICO and Oracle to optimize financial processes and drive operational efficiency.

I am currently looking for roles in accounting, finance, or tax, where I can utilize my expertise in financial management and compliance, particularly in dynamic and growth-oriented organizations. My strongest qualities include attention to detail, problem-solving, and a proactive approach to process improvement. Additionally, I thrive in collaborative environments and am skilled at navigating complex financial systems while ensuring accuracy and compliance.
