Dear EVABOX Hiring Manager, Prisijungti

My name is Ahmed, and I am writing to express my enthusiastic interest in CNC Operator or AutoCAD drafter position, With over 5 years of experience operating CNC machines and 2+ years of experience in AutoCAD and SketchUp drafting.

Originally from Egypt and currently residing in Saudi Arabia for over 5 years, I have honed my abilities in a variety of CNC machines, I am highly proficient in Artcam and Aspire programs, allowing me to efficiently translate complex designs into precise machine instructions, delivering high-quality parts while minimizing scrap and adhering to strict deadlines.

Furthermore, my experience in AutoCAD and SketchUp provides a valuable complement to my CNC skills. I can readily interpret blueprints and visualize finished products, enabling me to anticipate potential issues during programming and contribute to optimizing workflows.

Beyond my technical expertise, I bring a strong commitment to safety, meticulous attention to detail, and the ability to perform routine maintenance and minor repairs. I am a highly motivated and results-oriented individual with excellent communication and interpersonal skills, eager to integrate seamlessly into your team and become a valuable asset.

While this position directly aligns with my current skillset, My passion for precision engineering and
