### Kokio darbo ieškau? Mano teigiamos savybės

Greetings, I am Rathuwaduge Don Duminda Kumara, known as R.W.D.D Kumara, a proud Sri Lankan whose life journey has been shaped by the rich cultural heritage and principles of Buddhism. With a birthdate of February 7th, 1993, I bring to the table 30 years of diverse experiences and invaluable insights. My educational foundation was laid at WP/KL Sri Gananissara Royal College, where I embarked on a journey of learning culminating in the G.C.E. (O/L) Examination in 2009. Venturing into the professional world, I dedicated three years to serving as a Sales Assistant at Cargills Food City Wadduwa, refining my customer service skills and cultivating a strong work ethic. Building upon this foundation, I expanded my horizons by immersing myself in an international setting, spending another three years as a Sales Assistant at Sulthan Center Kuwait, where I thrived in a dynamic and multicultural environment. Currently, I am contributing my expertise as a Machine Operator at KLK Palm Oleo in Kuala Lumpur, Malaysia, where I leverage my technical acumen and commitment to operational excellence. Each role has not only equipped me with practical skills but has also fostered qualities of adaptability, resilience, and a relentless pursuit of excellence. As I navigate through life's journey, I approach each opportunity with unwavering enthusiasm and a thirst for personal and professional growth. I am excited about the possibility of forging new connections and exploring potential avenues of collaboration. Thank you for considering my profile, and I eagerly anticipate the opportunity to contribute positively to future endeavors.

Įmonės pavadinimas	KLK Palm Oleo
Darbo sritis	FORKLIFT OPERATOR
Pareigos	FORKLIFT OPERATOR
Plačiau apie darbo pobūdį, patirtį	<p>Safely operate forklift equipment to move, load, and unload materials within the warehouse or production facility, following established safety procedures and protocols. Transport raw materials, finished products, and other goods to designated locations, ensuring timely delivery and accurate placement to support production schedules and logistics operations. Inspect and maintain forklift equipment, conducting pre-operational checks, and routine maintenance tasks such as refueling, lubricating, and replacing parts to ensure optimal performance and reliability. Skilled in loading and unloading goods from trucks, shelves, and storage areas with precision and efficiency. Knowledgeable in performing pre-operational checks and routine maintenance tasks to ensure the proper</p>

functioning of forklift equipment. Familiarity with safety regulations and procedures governing forklift operation, including proper stacking techniques and weight distribution. Experience in accurately interpreting work orders, shipping documents, and inventory records to locate and transport materials to designated areas. Ability to communicate effectively with warehouse personnel, supervisors, and other team members to coordinate workflow and prioritize tasks. Proficiency in using warehouse management systems (WMS) and inventory tracking software to record forklift activities and update inventory databases. Strong attention to detail and accuracy in verifying product quantities, labels, and packaging information during loading and unloading processes. Adaptability to work in fast-paced environments and handle multiple tasks simultaneously while maintaining focus and composure. Skill in identifying and reporting any equipment malfunctions, safety hazards, or incidents promptly to supervisors for resolution. Capacity to work independently with minimal supervision while adhering to company policies and safety guidelines. Ability to follow written and verbal instructions effectively to ensure compliance with operational procedures and safety protocols. Experience in performing routine housekeeping tasks, such as sweeping, organizing, and maintaining cleanliness in the warehouse and work area. Strong physical stamina and dexterity to withstand long hours of standing, bending, lifting, and operating forklift equipment. Proficiency in conducting thorough inspections of forklifts and related equipment to identify and address any issues or defects before use. Capability to operate forklifts in various weather conditions and temperature extremes while prioritizing safety and efficiency. Aptitude for problem-solving and troubleshooting minor mechanical issues or obstacles encountered during forklift operations. Adhere to load weight limits and stacking heights, properly securing loads and using appropriate lifting techniques to prevent accidents, damage to goods, and workplace hazards. Coordinate with warehouse personnel and production staff to prioritize tasks and fulfill material handling requirements, maintaining clear communication to ensure efficient workflow and minimize delays. Follow inventory management procedures, accurately recording materials movement and updating inventory records in the system to facilitate inventory control and stock accuracy. Assist in inventory counts and stocktaking activities, participating in periodic audits to verify inventory levels and reconcile discrepancies. Comply with health and safety regulations, including wearing personal protective equipment (PPE) and adhering to safety guidelines for forklift operation, to minimize the risk of accidents and ensure a safe working environment. Report any equipment malfunctions, safety hazards, or incidents promptly to supervisors and maintenance personnel, taking appropriate action to address issues and prevent recurrence
