My professional journey has been marked by significant achievements such as leading and training

and collaborating with a team of fashion professionals, enhancing customer loyalty, and managing

customer service operations effectively. My proficiency in pattern-making, fabric selection, garment

repair/ alterations and garment construction is complemented by a keen attention to detail and a

commitment to excellence.

I am expert at sewing from scratch, drafting patterns and altering suits, shirts, trousers, skirts,

wedding dresses and bridal gowns, uniforms, Afro-Western and afro centric attires and many more.

I also have hands on experience on all fabrics like wool, jeans, cottons, furs, leathers, silk, nylon and many more.

Expert at operating the industrial sewing machines and manual-sewing machines, overlocking/seager machines, steamers, button hole machine and all pressing irons.

I am actively seeking a full-time position as a seamstress, tailor, and alterationist and I am open to visa assistance. My portfolio, which showcases my diverse skill set and passion for fashion design, can be found on my Instagram @SeiAfrique.

I am confident in my ability to contribute positively to your team and enhance the customer experience. I look forward to the possibility of discussing how my skills and experiences align with
