### Kokio darbo ieškau? Mano teigiamos savybės

My name is Yibain Eric Chia, a dedicated construction worker aged 46. I am married and proud to be the father of three children. With 15 years of experience in the construction industry, I have developed a strong skill set that includes expertise in various construction techniques, project management, and teamwork.

I am passionate about building not only structures but also a better future for my family and community. My ambition is to advance my career by taking on leadership roles and contributing to larger projects that enhance infrastructure and quality of life. I believe in continuous learning and am always looking for opportunities to improve my skills and knowledge in the field.

As a hardworking individual, I take pride in my ability to deliver high-quality work while adhering to safety standards and regulations. My goal is to inspire my children and others around me by demonstrating the value of dedication and perseverance in achieving one's dreams.
