### Kokio darbo ieškau? Mano teigiamos savybės

International volunteer with high passion and one year of experience working with kids with mental disabilities, assisting them

through their journey of education, entertainment, and day-to-day needs with empathy and energy.

Skilled in understanding child psychology and behavior through observation, on-field experience, and acquired knowledge.

Patient in stressful situations or moments of crisis by identifying problems using clear communication and overcoming stress by relaxation methods.

Capable of learning new languages and using them by utilizing workplace vocabulary and phrases to ensure clear

understanding and expression to better communicate with colleagues or kids
