Kokio darbo ieškau? Mano teigiamos savybės

Dear Hiring Manager,

I've observed the impressive growth of your renowned restaurant and the emphasis you place on a refined dining experience. It's clear that your commitment to quality not only reflects in your exquisite dishes but also in the elevated service standards that resonate with my own professional pathway.

While serving as a Senior Waiter at Sweet park restaurant , I directed the overhaul of our menu offerings in collaboration with our Head Chef, resulting in a direct 25% uplift in orders for our featured dishes. Beyond enhancing our culinary appeal, I transformed our service approach through a pioneering table management system that culled customer wait times by 15%. These strategic implementations speak to the core of my proficiency – augmenting the customer experience while fortifying the establishment's success.

I am eager to bring my refined skill set and hands-on experience to your distinguished team. The opportunity to contribute to and grow with your establishment excites me. I am looking forward to discussing how my background, skills, and enthusiasms can align with the high standards of service excellence at your restaurant.

Sincerely,

Mohammad Mehedy Hasan Adiyani

waiter.
