### Kokio darbo ieškau? Mano teigiamos savybės

My name is Prasannakumar Veerapandiyan. I am currently pursuing a Masters degree in Industrial Engineering Management at Kaunas University of Technology (KTU), Lithuania. I have a solid academic foundation with a bachelor's degree from India and professional experience that complements my studies.

I have 4 years of experience in the Environmental Health and Safety (EHS) field in India, which has provided me with a deep understanding of safety protocols and industrial standards. Additionally, I have warehouse helper experience and 1.5 years of dishwashing experience in Dubai, showcasing my versatility and willingness to adapt to various roles. I am eager to bring my technical expertise, problem-solving abilities, and commitment to any role I take on. My goal is to contribute effectively to organizational goals while continuing to grow professionally. I am particularly interested in opportunities at Freda Company or similar industries where I can apply my skills to enhance safety, efficiency, or operations."
