Konferencijos, seminarai, mokymai

I have gained valuable experience through my forex trading journey, where I developed strong skills in market analysis, risk management, and making decisions under pressure. Trading has taught me the importance of discipline, patience, and the ability to adapt quickly to changing situations.

Additionally, I completed an internship at an accounting firm, where I assisted with financial reports, tax documentation, and ensuring data accuracy. This experience enhanced my problem-solving skills and ability to work efficiently under stress, meeting tight deadlines while maintaining attention to detail.

These experiences have equipped me with a strong foundation in risk management, critical thinking, and adaptability, which I am eager to apply and further develop in a professional environment.
