Kokio darbo ieškau? Mano teigiamos savybės

I am adaptable, purposeful and hardworking person who recently completed an educational program in the specialty "Management in the agricultural industrial complex" in the profiles "Economics", "Management" and "Accounting" at the "SSAC" educational institution in the Minsk region and I am currently looking for a job in the humanitarian field or in the field of working with people. With flexibility as a priority, I work effectively in a team and also confidently work on my own initiative. I acquired these important skills through my experience of studying, working and communicating with people of completely different circles and interests, including children. I am a conscientious, confident, open, sincere and trustworthy person. I have a blog, write and perform music. I have a competent oral and written speech, oratorical skills, an analytical type of thinking, an active civil position and moral convictions, specially I need to mention my friendliness, empathy and communication skills. Diligent in achieving my goals and responsible. I am quickly learn new skills, a purposeful person in life. I am a people pleaser and always try to find myself in a place where I can communicate with people and give them smiles.
