Hello everyone, I would like to introduce about myself in front of you.

My strengths are self-motivation, communication skills, leadership skills, Time management and hard-work. Ability to meet any challenge with confidence, Determination & sincerity. Enjoy working under pressure in different challenging and creative situation.

While my weakness is I feel uncomfortable until I finish my work. I trust everyone easily and I am very sensitive. Unfortunately, my weakness is sometimes this satisfaction level in my work puts me in trouble.

Apart from this, moving on to my extra-curricular activities, I love to play cricket, especially as an all-rounder. I also enjoy travelling buses, Exploring new cities and seeking Adventures and Reading newspaper.

My short term goal is to get placed in a reputed company and my long term goal is to achieve a good position in my career. I consider myself a very focused person and I work towards my goals. My strongest point is I don't need any external motivation to do my work. I forget to care about my health when I stay busy doing my work.

I am very excited to be here. I hope we become good friends. I look forward to working together. That's all about me. Thank you.
