Kokio darbo ieškau? Mano teigiamos savybės

Briefly About myself

I am a compassionate and dedicated Community Health Worker from Nigeria with over 7 years of experience providing care and support to elderly and vulnerable individuals. I have a certificate in Community Health and a strong passion for helping others maintain their dignity and well-being, especially in times of need.

The Kind of Job I'm Looking For...

I am seeking a caregiver or healthcare assistant position in a hospital, elderly care home, or private household. My goal is to support patients with daily living activities, hygiene, feeding, companionship, and medication reminders, while also providing emotional support and ensuring a safe, respectful environment.

Strongest Qualities and Experience:

7+ years hands-on experience in community-based healthcare, including hygiene care, basic wound care, and elderly support.

Patient, empathetic, and dependable, with excellent communication skills.

Skilled in daily caregiving routines, first aid, and working with individuals with disabilities or chronic conditions.

Able to work flexible shifts, adapt quickly, and maintain calm in stressful situations.

Basic understanding of English medical terms, and willing to learn Lithuanian or any language required for smooth caregiving.
