Kokio darbo ieškau? Mano teigiamos savybės

My Name is Muhammad Usman Gondal. I am currently studying Bachelors in General Practice of Nursing at SMK College of Applied Sciences Kaunas Branch. Currently I am in the Second semester and I will perform internship of General Nursing and Geriatric Nursing for 2 months in an hospital from December to Jaunary. Still I have learned about First Aid, Nursing Techniques, General Nursing, Geriatric Nursing, Anatomy and currently studying Pharmacology. I am really very ambitious to perform paid/unpaid internships in lithuania, because I am really very curious to work in hospital. As a foreigner I would not prefer to start any job other than my field because, I will not gain anything from there. I can earn money in various ways, but this time is not for earning this time is for learning and acheiving something in life. I assure you that I will perform with full devotion, and will act upon senior's advises. My purpose is to learn and practice and that's it. I think that you will understand my mindset.

Regards
