Kokio darbo ieškau? Mano teigiamos savybės

I have experience working both as a Technological Operator and in warehouse operations. I worked for 6 months as a Technological Operator at a gas processing plant, where I monitored and controlled technological processes. I then gained 2 years of experience in warehouses, including 6 months handling meat products and additional time working in clothing warehouses. Most recently, I worked at Uzum company's warehouse. I am physically fit, responsible, and ready to work in a team. I speak Russian and English and currently reside in Uzbekistan.
