Kokio darbo ieškau? Mano teigiamos savybės

I am an international Master's student currently studying in Lithuania, with a Bachelor's degree obtained in China. I am looking for a part-time or full-time position in logistics, warehouse operations, delivery, production, customer service, or technical support. I have diverse work experience including port operations, warehouse and delivery work, customer service in a call center, construction, and technical roles such as air conditioning installation. My strongest qualities are reliability, adaptability, attention to detail, strong work ethic, and the ability to work effectively in fast-paced and multicultural environments.
