Kokio darbo ieškau? Mano teigiamos savybės

I have completed my bachelors in Mechanical Engineering from Sastra University in Tanjore, India. I have completed my Masters in Industrial Engineering and Management in Kaunas University of Technology. I worked as a Graduate Engineer Trainee in Sastra Precision Forging (Production company). I hold a C1 level in English. I also have intermediate knowledge of Spanish language. I have excellent knowledge in all the Lean Techniques, Value Stream Mapping as I completed my Master Thesis in a manufacturing company and hence implemented Lean Techniques in that company. I am always willing to learn new things and I think this would be a perfect job for me to start my career with. I would also like to say that I am very much flexible to work in any field which is offered. Thanks!
