### Kokio darbo ieškau? Mano teigiamos savybės

Dear Sir/Madam,

I am writing to express my interest in Design Engineer job in your organization. I have a postgraduate degree with major in Agricultural Mechanical Engineering (Automotive). I have completed my bachelor degree in Mechanical Engineering in 2014 from Jawaharlal Nehru Technical University, Kakinada, Andhra Pradesh (India). During my master studies, I have gained knowledge about Cars, Trucks, Agricultural Machinery, Tractors.

I have learned varieties of design and simulation software in design and CFD analysis of agricultural machinery and Automotive Components. My experience and exposure to these diverse varieties of experimental techniques will be a valuable contribution to your organization. I used software like Solidworks, Solidedge, Autocad, Pro E, Catia, Matlab, Python, OpenFOAM. I have learned PLC programming for Industrial Automation using Festo and Siemens.

Because of my experience, I understand the importance of time management and open communication. While it may be easy to focus on the technical side of work, I've found that being able to express concerns and alternative solutions to colleagues of varying technical backgrounds have been invaluable in my professional development.

I am passionate to pursue my career in Design/Test Engineering. I am sure I will be a useful member of your team in your company. I would welcome the chance to discuss my qualifications related to Design Engineering and related opportunities.

I truly believe in continued education and research and continue to seek new methods to assist with safe, effective product development. I hope to bring my knowledge and future knowledge, to your organization.

Attached is a copy of my resume that further explains my background and technical skills. I can be reached anytime via my cell phone, +37062976175 or via email at gantaamith007@gmail.com. Thank you for your time and consideration. I look forward to speaking with you more about this opportunity.

Sincerely,

Amith Ganta
