Kokio darbo ieškau? Mano teigiamos savybės

I work as a Revit BIM Manager in famous Russian company name is Kompleks Galernaya 5 (Gazprom Neft) for 2 years.

I have spent the last four years developing my skills starting as a BIM coordinator and then BIM manager in TOMS project company, where I have won performance awards and been promoted once. I am proficient in managing teams and solving customer problems.

Although I love my current role, I feel I'm now ready for a more challenging assignment and this position really excites me.
