### Kokio darbo ieškau? Mano teigiamos savybės

An attentive, polite, organized and with a professional demeanor individual that holds a full driving licence and owns a car. Capable of performing daily accounting tasks that would support your financial team. I have a solid understanding of managing expense reports and reimbursements, entering financial transactions into internal databases and reconciling invoices. In addition, I have a solid financial academic background and relevant work experience in sales and customer service that would allow me to help your financial department run smoothly, ensuring transparency and efficiency in all transactions. I am passionate about financial sector and related job positions. I am currently looking for any job position or internship in a financial sector with a company that offers personal and professional development opportunities.

Pageidaujamas darbas                      Apskaitininkai
